

BURNT PINE WINE LOCKERS

- **First Come, First Serve Basis:** Lockers are available on a first-come, first-served basis, ensuring all members have equal opportunity to enjoy this offering.
- **Wine Locker Lease Commencement:** The Member shall commence this lease by purchasing six (6) bottles of wine from the list provided by Burnt Pine at time of joining. All wine inside the locker must be purchased through Burnt Pine and will be sold at retail price and when consumed at the clubhouse, will forego all corkage fees. An extensive list of wines will be provided to members to be able to place future orders.
- **Minimum Purchase Requirement:** To maintain active participation, each member must purchase a minimum of four bottles per month for storage in their locker.
- **Occupancy Requirement:** Lockers must maintain at least 80% occupancy, or a minimum of 5 bottles, at both the beginning and end of each month.
- **Regular Inventory Checks:** To assist in maintaining your collection, weekly inventory checks will ensure your locker meets the 80% occupancy requirement, with reminders sent if replenishment is needed.
- **Non-Compliance Policy:** If locker occupancy requirements are not met without a pending order, the locker's contents will be removed, and the space will become available to other members.
- **Secure Storage:** Any wines removed will be stored securely within the clubhouse, labeled for your retrieval.
